Yukon Variable Power Spotting Scope

Models: 16-32x50, 20-50x50, & 20-50x50 WA

Instructions

This manual will help familiarize you with the features, operations and maintenance of the Yukon Variable Power Spotting Scope. The unique design of the scope utilizes the folded light path Newtonian - style reflecting mirror and lens optical system. This design allows the scope to provide high magnification and image quality in a compact 9-inch long body. The Yukon is sold with an optional tripod/car window mount kit.

Focusing

1. Remove the scope from the carrying case.
2. Remove protective lens caps.
3. Rotate zoom mechanism to the desired power.
4. Adjust the eyepiece until scope comes into focus. With high magnification you may need to use a tripod to control unwanted image vibration.

Care and Maintenance

1. Your Yukon scope is designed to be durable and maintenance free. Clean the rubber-coated body with a cloth rag using a small amount of rubber protectant.
2. When cleaning the optics use a light coating of lens cleaning solution on a cotton cloth. Do not pour lens cleaner on the lens itself.
3. Condensation on the lens may occur when bringing the scope in from the cold. This is common and within one hour this condition should disappear.
4. Do not submerge the scope into water, as it is water - resistant but not waterproof.

Limited Warranty

The Manufacturer warrants its night vision products against defects in materials and workmanship for a period of one year from the original date of purchase. Any device returned for warranty service must be judged by Kalinka Optics Warehouse as having been used according to its original design intents. As such, misuse, neglect, or any abnormal use is not covered by this warranty. Product malfunction or deterioration due to normal use is not covered by this warranty.

Kalinka Optics Warehouse will repair or replace such products or parts thereof, which, upon inspection by Kalinka Optics Warehouse, is found to be defective in either materials or workmanship. As a condition of Kalinka Optics

Warehouse's obligation regarding warranty work, the product must be returned to Kalinka Optics Warehouse with satisfactory proof of purchase.

THIS WARRANTY IS NULL AND VOID IF EQUIPMENT HAS BEEN ALTERED, TAMPERED WITH, MODIFIED, OR OTHERWISE ABUSED, MISHANDLED, OR SUBJECTED TO UNAUTHORIZED REPAIRS. KALINKA OPTICS WAREHOUSE DISCLAIMS ANY OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, EXCEPT AS EXPRESSED HEREIN, THE SOLE OBLIGATION OF THE KALINKA OPTICS WAREHOUSE IS TO REPAIR OR REPLACE THE COVERED DEVICE. KALINKA OPTICS WAREHOUSE EXPRESSLY DISCLAIMS RESPONSIBILITY FOR ANY LOST PROFITS, GENERAL, SPECIFIC, DIRECT, INDIRECT, OR CONSEQUENTIAL DAMAGES WHICH MAY RESULT FROM BREACH OF ANY WARRANTY, OR RESULTING FROM THE USE, OR INABILITY TO USE, OF ANY OF KALINKA OPTICS WAREHOUSE 'S PRODUCTS.
